STATEMENT OF SUBSTANCE OF INTERVIEW

Sir:

A form PTOL-85 Fees Transmittal is being submitted concurrently herewith to pay the issue and publication fees which are due in the above-identified application.

On May 26, 2010, a telephonic interview was conducted between Applicant's undersigned attorney, Christian Mannino, and Examiner McMillan. Applicant's attorneys have received the Examiner's Interview Summary mailed on June 4, 2010, and generally concur with the comments therein, but wish to submit the following additional comments.

During the interview Applicant's undersigned attorney requested that Examiner McMillan acknowledge the information cited in an Information Disclosure Statement that was electronically filed on January 4, 2008. Applicant respectfully requested the Examiner to return

an initialed copy of the Information Disclosure Statement, indicating that the information therein was considered.

While the Information Disclosure Statement dated January 4, 2008 is included in the Electronic Image File Wrapper viewable via the PAIR system, the Examiner informed Applicant's attorney that that Information Disclosure Statement had not been placed into the electronic file viewable by the Examiner. The Examiner confirmed that the Information Disclosure Statement had been located and that she would acknowledge the information contained therein by issuing a form PTO-892.

Applicant's undersigned attorney may be reached in our Costa Mesa, California office by telephone at (714) 540-8700. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,

/Christian Mannino/
